

IS CIVIL WAR IMMINENT?

By Stephen Renfrow(c)

Jan. 3, 2012

The President of the former USA, Barry Sotoero, aka Barrack Hussein Obama (BHO) has sown the seeds of civil war in these Socialist States of North America. Witness the recent passing of the National Defense Authorization Act (NDAA) allowing for the indefinite jailing of anyone opposing this regime without charge or trial in violation of the US Constitution which strictly prohibits such action. This was done on the very day 220 years after the signing of the Bill of Rights. This represents High Treason by all parties involved – Congress & Senators and whoever wrote the bill.

American Civil Liberty Unions Executive Director Anthony D. Romero warned: *“President Obama's action today is a blight on his legacy because he will forever be known as the president who signed indefinite detention without charge or trial into law. The statute is particularly dangerous because it has no temporal or geographic limitations, and can be used by this and future presidents to militarily detain people captured far from any battlefield.”*

There has been a coup in the U.S. by a conspiracy so large, none dare speak of it in public. Recall the book, “None Dare Call It Conspiracy”. The U.S. is, as the Bible terms it – a “diverse Beast” from all the ones before it. The shadow power behind it is communistic, Fabian socialist, nationalist fascism regime and its agenda is to rid God or any mention of Him from existence. This is why the globalist owned media can't discuss it, and are simply lap dogs under its power and control. This last political Beast is a culmination of the knowledge and tactics of all empires before it. (see my report – “**The Political Beast**”)

With such a figure-head as BHO at the helm, and the laws needed to imprison those opposed to him, now at his disposal to use... civil war is the inevitable outcome. Moreover, with each passing day the U.S. resembles Nazi Germany more and more. History shows that rogue governments are capable of slaughtering 10's of thousands of people. It should also be noted that after WW2, during “Operation Paperclip” the U.S. brought over many high ranking Nazi officers and SS agents including Wernher von Braun to head up a new agency later called NASA. The Office of Strategic Services (OSS) program was used to recruit the scientists of Nazi Germany for employment by the U.S. Wherefore the Nazis have been running certain government departments and agencies for decades.

Behind this communist cabal of anti-God pagans is a central core of families whose dynasties go back centuries if not millennia. The bloodlines are detailed in “**Bloodlines of the Illuminati**” by Fritz Springmeyer. The families and their conspiracy are outlined in the great book by Texe Marrs – “**Circle of Intrigue – The Hidden Inner Circle of the Global Illuminati Conspiracy**”. See also the video and book “**Project Lucid**” by the same author. It discloses the globalist owned AT&T sub corp. Lucent Technologies agenda with the global L.U.C.I.D. Net and their universal information and identification

Is Civil War Imminent?

system. I suggest if interested, to contact Living Truth Ministries (www.texemarrs.com) and request a free copy of their “Flashpoint” newsletter.

My research has discovered that these bloodlines can be traced all the way back to Cain. Yes – the same one who slew Abel. Apparently Eve had twins, which is why there are two separate bloodlines mentioned in Genesis. One from Cain, who was spawned by the “bad seed” and the other, the descendants of Adam from the next son she gave birth to after Abel was slain. Later Jesus referred to Cain’s generations as “the sons of your father the Devil”. There are many other ties to these people throughout the Bible. And it is these same people, who down the ages, have conspired, due to their worshipping under the antichrist spirit, to have complete and absolute control and dominion over this world. But the Bible predicts their end.

The parallels between the present day United States and 1920’s Germany, are too substantial to be ignored and include the following.

1. Staggering war debt;
2. Unprecedented budget deficits;
3. Soaring rates of unemployment at, or nearing, depression levels;
4. Growing protests violently suppressed by police forces;
5. The virtual elimination of the middle classes as tens of millions fall into poverty and homelessness;
6. Draconian new laws passed to eliminate all freedoms;
7. The rapid building of new prisons and concentration camps;
8. Massively growing police forces and internal checkpoints;
9. The creation of an elite upper class to which nearly all money flows; and
10. The takeover by the elite upper classes of the political process and all politicians and political parties.

Once Central Banking Systems (like the Federal Reserve System in the US, and European National Bank in the EU) are established they become the main power behind all ways of life usurping all political power and the rights of people to determine their own fate. This is a harsh reality being ruthlessly learned by many European nations today including, Greece, Italy, Spain, Ireland, Portugal and Hungary whose lives are dominated and controlled by bankers. Surely you have witnessed rebellion in the streets portrayed in the mainstream news.

The people of the world have awakened before in history to the notion that the Illuminati and certain families dominating the banking industry are extremely dangerous to the world especially when they start loaning to governments. They were banned from many countries in the past. Their perpetual debt scheme puts anyone and everyone they loan to in servitude to these international banksters. The Bible says of these “rich men of the earth” that, “*He shall lend to thee, and thou shalt not lend to him: he shall be the head, and thou shalt be the tail*“, Deut. 28:43-45.

Is Civil War Imminent?

By Stephen R. Renfrow©

The people of the world should awaken now, TODAY – to the FACT there are certain people who conspire to rule the world, and murder anyone who gets in their way. These are the true terrorist. These are the ones we should seek and bring to justice. Their high crimes of treason against not only the sovereign governments of the world but all people the world over warrant nothing less. The Bible also says of these rich men of the earth

“You rich men, weep and howl for your miseries that shall come upon you. Your riches are corrupted, and your garments are moth-eaten. Your gold and silver is cankered; and the rust of them shall be a witness against you, and shall eat your flesh as it were fire. Ye have heaped treasure together for the last days. Behold, the hire of the labourers who have reaped down your fields, which is of you kept back by FRAUD, crieth: and the cries of them which have reaped are entered into the ears of the Lord of sabaoth. Ye have lived in pleasure on the earth, and been wanton; ye have nourished your hearts, as in a day of slaughter. Ye have condemned and killed the just; and he doth not resist you. Be patient therefore, brethren, unto the coming of the Lord. Behold, the husbandman waiteth for the precious fruit of the earth, and hath long patience for it, until he receive the early and latter rain. Be ye also patient; establish your hearts: for the coming of the Lord draweth nigh.” James 5:1-8.

It should be noted that within the U.S. 2012 elections, Ron Paul is the ONLY candidate calling for an end to the privately owned Federal Reserve Corp. to whom we are supposedly in debt to the tune of ++++ nobody knows. This means the entire U.S. is BANKRUPT. This was declared so in U.S. Congressional Record, March 17, 1993, by Rep. James Traficant, Jr. (Ohio).

Congressman Ron Paul described the Federal Reserve recently: *“It's sort of like a drug. You get some benefits if you keep using it--you know, run up debt, run up inflation, monetize the debt, make a bigger bubble. Just like a drug addiction, the drug addict feels better when he keeps getting drugs. But the high can't last forever, and like so many cases of drug addicts, if you don't do something about it, you kill the patient,” Paul said. “And right now the patient is very, very big, and that's the worldwide economy.”* So it seems that Washington D.C. is addicted. And how do you treat addiction? You cut off the supply. Read my book **“NO MORE TAXES”**.

Allow me to enlighten you more. Did You Know that U.S. is a Corporation? So What?, you ask! Did you know that the U.S. Corp. is Bankrupt? Did you know they have the audacity to insist you pay for their treasonous mistake, fraud, and interest on their nationalized debt? Regarding the corporate status of the U.S. Most people do not know what those two letters really mean, and what it really means to them. Here is part of the answer.

It is well established that the United States is a corporation, originally incorporated Feb. 21, 1871 in England under the name "District of Columbia", 16 Stat. 419 Chapter 62. Not as authority under the Constitution but authority over the constitution. Also, they copyrighted not only the constitution but also many names under which they operate ie.

Is Civil War Imminent?

By Stephen R. Renfrow©

THE UNITED STATES, U.S., USA (note all caps). UNITED STATES means a federal corporation Title 28 Sect. 3002(5) Chapter 176; 534 Federal Supplement 724.

This was the final blow to the original constitution as applicable to the Trust operating under the Constitution for the united States of America for the beneficiaries of the original signatories of the social compact created for the benefit of their forefathers.

From here on out the UNITED STATES was governed entirely by foreign private corporate law, dictated by the bankers as fiscal agents for the private Creditors of the intellectual property which they now held in and under copyright with the Creditors extending the right to use of such copyright to their esquires by and through the Crown's BAR (British Accreditation Registry) ie. International Agents (attorneys) in association with the Vatican by Treaty as Exchequer of the Vatican Treasury. (ask for my special report "TREASON")

The significance of this is that the now de facto government as a corporate entity has authority to implement laws for "We the People of the United States" but no more authority to implement its laws against "All the People" than does Mc. Donalds Corporation - except for one thing! The contracts we've signed as surety. Social Security, Drivers License, etc. etc.

All of us in the social net of subterfuge were required to deliver all birth registries to which were returned a Certificate of Birth, the Title to our bodies. They were then registered by the U.S. Dept. of Commerce in its sub dept. known as Bureau of Vital Statistics. This title to our bodies all of our property, and future labor was pledged to the International Banksters as security for the money owed in bankruptcy by the corporate UNITED STATES. All of this was done under the authority of commercial law (Babylonian law) by and through secured transactions governing security interest in documents of Title.

But alas, one must appreciate the fact that not all people were in bankruptcy. ONLY the corp. U.S. and other corp. gov't. constructs which had become pawns of the international Banking Cartel. All peoples have never had now or then a contractual nexus to such compacts or constructs. All walks of life have been continually deceived and educated to believe from childhood to give allegiance solely to be controlled by those to who form such compacts/constructs/treaties. It was therefore relative to no other People or Social Compact which was not a party to such or did not go along with the social scheme at the time. Wherefore today, law has become a fiction of copyrighted statutes to be interpreted by (so called) "judges" who construe and construct whatever they choose to have those statutes mean. See 1976 Senate Bill 94-201 and 94-381.

Are you now beginning to have a different viewpoint on who you actually are from who you thought you were? The people need to be educated and enlightened as to this subject matter. Perhaps then they will be fired up to do something about the demise of their social status. For more info, see www.NotMyGovernment.us

Is Civil War Imminent?

By Stephen R. Renfrow©

Now it has been 140+ years of wrong information and lies perpetuated by the Leftists and the banking cartel pertaining to America. Maybe you recall the National Banking fraud of Hamilton, the removal of the substance of the Nations money (gold & silver), the National Bankruptcy, the introduction of private money script of the Federal Reserve, the assassination of Lincoln, JFK and congressman McFadden, the Erie decision, the creation of the Uniform Commercial Code (adopted by all States in 1964), and a host of 'other' events that certainly the American people have not been fully disclosed.

All these things affect and deal with your rights, abilities, status, etc., as applied to what we have been conditioned to accept as true, as taught in government schools! These events, if you did not notice, primarily deal with the money issues that have been perpetuated against the America people to their economic detriment!

In a nutshell, in 1933, the federal (U.S. Government) corporation went bankrupt. The corporation, in order to continue (survive) had to put into place the means to fund the operation of the U.S. Government corporation. This is when the government removed all substance from the money, implemented other programs and put the entire money control of America under the control and power of a private international bank corporation, called the Federal Reserve Bank! While at the same time, the government continued to tell the American people that all was well, a good economy (is based on credit!) However, it is controlled for international interests and not for American interests.

FACT: The real name of the IRS is "Internal Revenue Tax and Audit Services, Inc." and they are the collection agency for the International Banksters through their Federal Reserve Corp. for the debt owed by the U.S. (I found IRS registered as a Delaware Corp.)

Now you are being informed that 'your' government has taken 'your' birth certificate and turned it into a commercial instrument, attached a value to it and has taken it off shore to sell it on the open market to raise the credit/capital to fund their financial corporate appetite. Black or White, you are the surety to the debt. The instrument (birth certificate) allowed the creation of the artificial corporate entity (chattel) called the Strawman or 'Debtor'. Birth Certificates are printed/ copied on 'Bank Stock Paper, stacked and bound in bunches of 100 and taken off-shore and sold in the international market place.

FACT: This strawman is a fictional entity created in your image! The U.S. Corp. is therefore an image of the Political Beast which is itself a corporation - 'in the image of ...', and YOU have been transformed as well "in the image of" your former self for the purpose of commerce.

Since "The ownership of all property is in the State; individual so-called ownership is only by virtue of (permission by) the government, i.e., law amounting to mere user; and use must be in accordance (permit, license, etc.) with law and subordinate to the necessities of the State." (Senate Document No. 43, 73 Congress, 1st Session) You own nothing! No rights, just privileges according to your government. Did your congressman

Is Civil War Imminent?

By Stephen R. Renfrow©

explain that to you? Did any public servant give you full disclosure of this information? This is in FACT – HIGH TREASON and deserves nothing short of Hanging by the Neck until DEAD!

So short of marching on Washington D.C. and placing all of congress under Citizens Arrest, finding them guilty of Treason and HANGING them from the nearest, biggest oak tree – what is our alternative? Is there is a peaceful solution. Doesn't a remedy exist? I believe so, and intimated it in the above paragraphs. These subject matters are so broad, a small report can not cover it, but I am writing a book that covers these areas and more.

However, if the people of this world do not act, then the almighty will do his work. And woe unto all the people of Earth who must bear the wrath of almighty God. But woe to all the people of the world, if there is no God and they do not act to bring these evildoers to justice. Will good men have to answer for doing nothing?

[At the Time of the End of this Age]

“When the secrets of the righteous shall be revealed and the sinners judged, And the godless driven from the presence of the righteous and elect, From that time those that possess the earth shall no longer be powerful and exalted: And they shall not be able to behold the face of the holy, For the Lord of Spirits has caused His light to appear On the face of the holy, righteous, and elect. Then shall the kings and the mighty perish and be given into the hands of the righteous and holy. And thenceforward none shall seek for themselves mercy from the Lord of Spirits for their life is at an end.”

The First of Three Parables
The Book of Enoch XXXVII; 3-6
