

FROM WHERE DOES TRUE RACISM COME?

The narrative that black people are being disproportionately and unfairly targeted by predominantly white police officers, and a racist criminal justice system in the United States, is a lie and is itself a racist comment. Negroes in the United States are more likely to be in confrontations with police because they commit more violent crimes than caucasians per capita. Don't think so? You had better face some facts!

FACT: ½ the officers charged in the death of Freddie Gray in Baltimore are black.

FACT: According to DOJ statistics, between 1990 and 2008, Negroes making up only 13% of the population, committed 52% of homicides, compared to 45% committed by caucasians. (source: <http://www.bjs.gov/content/pub/pdf/htus8008.pdf>)

FACT: In 2013 alone, Negroes committed 38% of the murders, while caucasians 31%. This despite the fact there are 5 times more whites than blacks. (FBI: <http://www.fbi.gov/stats-services/crimestats>)

FACT: From 2011 to 2013, 38.5% people arrested for muder, manslaughter, rape, robbery, and aggravated assault were Negroes. Over 3 times higher than entire Negro population of 13%. The figure is much higher when you factor the fact Negro males between the ages of 15 – 34 are responsible for the vast majority of these crimes. It is in fact staggering – especially the black on white rapes.

FACT: Between 1999 and 2011, 2151 caucasians died as a result of being shot by police, compared to 1,130 Negroes. So, fact is - whites are more like to be killed by police!

Do you see white mobs looting, burning and screaming racist remarks blaming the blacks?

FACT: Despite being outnumbered by whites five to one, Negroes commit *eight times* more crimes against whites than vice-versa, and a black man is 40 times as likely to assault a white person as the reverse. These figures also prove that interracial rape is almost exclusively black men on white women. (FBI 2007; <http://news.yahoo.com/black-americas-real-problem-isnt-white-racism-070000529.html>)

LOGIC: If the majority of 911 calls are coming from communities dominated by the Negro race, related to black people committing violent crimes, then obviously blacks are more likely to be involved in violent confrontations with police.

FACT: Police are certainly part of the problem. Since 9-11-2001, the number of Americans killed in the US by police, exceeds U.S. soldiers killed in Iraq. Think this needs to change boys & girls? (source: <http://thefreethoughtproject.com/americans-killed-cops-outnumber-americans-killed-iraq-war/>) After all, a lot of them are government trained killers exiting from the military, and knowing they can easily get a job in the police force. Today, you are 55 times more likely to die by U.S. Police than by a terrorist. (<http://www.washingtonsblog.com/2015/03/youre-55-times-likely-killed-police-officer-terrorist.html>) So who is the real terrorist? Has USA devolved into a Police State? Duh!

It certainly doesn't help when you have the liberal media propaganda machine legitimizing, even endorsing and justifying, black violence and riots. (source - TIME: <http://time.com/3605606/ferguson-in-defense-of-rioting/>) This has to change!

But it doesn't have to be – does it? Statistics prove a disproportionate percentage of Negroes are violent and therefore commit violent crimes. And when one gets caught, they may form a Mob and yell slanderous insults, reverse discrimination, while burning cars and looting businesses which of course is violent, serving to escalate the “Mob Rule” mentality!

At the same time, since the caucasian peoples have become more lax and complacent with the Negroes, giving them tax incentives and privileged loans to start businesses etc., they repay their “respects” with racist slurs and enuendo. They have and blatantly promote exclusive Black Clubs which is RACIST.

For example, they have United Negro College Fund. You don't see United Caucasian College Fund. They have BET, BLACK Entertainment, and JET magazine. You don't see Whitey TV Channel or White ONLY Magazines! They have the NAACP – National Assoc. for the Advancement of Colored People. Not for all colored people mind you ... just the blacks. You don't see a club for white people such as a - National Assoc. for the Advancement of White Peoples. In their eyes, that would be Racist! So aren't these Black Associations in violation of Federal Law against discrimination?

And remember the white youth that tried to get into Tulane University in Louisiana. He had to sue in violation of Federal Law for Discrimination because of the Racist College that wanted to be NEGRO ONLY.

Negroes talk of what they can GET from Whitey or the Man, or from Government in the way of Food Stamps, Welfare, Cell Phones, WIC for babies, Cash for Babies, “*lemme borrow yo baby so I can get mo stuff*”, like WIC coupons and a Government Debit Card! Do they not realize their “GIMME-a-Living” attitude puts this country in more Debt, driving down our economy. To want what is not yours is a SIN – “*thou shalt not covet*” Ex.20:17; Romans 7:7. So, Who is the sinful racist my brother ? ? ?

Some blame that black violent crimes are due to poverty. That logic is erased when you realize how much money they get from the government. They get more than the average person who works. So it is well known within the Negro community, that it doesn't pay to work!

FACT: U.S. welfare pays more than entry level jobs in 35 states! (source – DC Clothesline: www.dcclothesline.com/2014/08/05/statistics-lie-welfare-best-paying-entry-level-job-35-states/ and Fox News: <http://www.foxnews.com/politics/2013/08/21/study-in-most-states-welfare-pays-more-than-minimum-wage-job>).

FACT: Welfare, housing, food, utility, minority children benefits, and other payouts top \$20/hr. in eight states, exceeding the poverty level! (source: <http://downtrend.com/robertgehl/welfare-payouts-top-20-per-hour-in-eight-states>). According to a CATO Institute Report in 1995, titled - “*The Work vs. Welfare Trade-Off*” (CATO: <http://www.cato.org/publications/policy-analysis/work-versus-welfare-trade>

[analysis-total-level-welfare-benefits-state](#)), It found that of all 50 states and the District of Columbia, not only did the value of such benefits greatly exceed the poverty level but, because welfare benefits are tax-free, their dollar value was greater than the amount of take-home income a worker would receive from an entry-level job.

We the People should ask – When will the Gravy Train end, that the rest of the working class has to pay for under threat of imprisonment? Obviously this is part of the problem – ie. Socialism, Statism, or Marxist Fascism / Communism (all the same) demanded by a lazy class of people demanding State granted privileges over God-given Rights. The solution is self-evident.

I surmise another part of the real problem stems from their own racist attitudes passed down from one generation to the next. Perpetuating the hate for “whites”! Apparently they can't get over the fact that Caucasians took them from Africa and brought them to America to help build an Empire! Segregating by referring to themselves – not as Americans, but as Afro-Americans, when perhaps none were born in Africa. This only continues racism and hatred from one generation to another. If you were born in America – you are a natural born American. You cannot be a natural born African-American, which is an oxy moron. The same goes for Mexican-Americans, Spanish-Americans, etc. You are either an American or a Mexican, or Spanish, etc. If you come to this country with attitudes of Communism, Socialism and refusing to speak English, you are the Terrorist attempting to overthrow our way of life, including our government. PERIOD ! ! !

This country, the USA, was founded on Godly principles of freedom, and hard work that cost many their lives. Right now, we have many problems on many fronts. The answer to the original question – From Where Does True Racism Come, it comes from the heart. That change will only come through education at home. To succumb to a racial divide, or any divide, should be forefront in our minds and realize what it is. It is simply a way for the self-righteous and self-appointed elites to divide and conquer. If you expect freedom to be handed to you, or anything else for that matter, you should be sorely disappointed, instead of rewarded. Nothing gives you the right to take something that is not yours. Everyone in fact has a right to defend their life, liberty, and property in pursuit of happiness. These are the values that be should taught, and defended, through each generation.
