

PEOPLE ASK WHY?

Why I Carry a Gun ...

**My old grandpa said to me
“son, there comes a time
in every man's life
when he stops bustin knuckles
and starts bustin caps
and usually it's when he becomes
too old to take an ass whoopin”.**

A woman with brown hair, wearing a tan military-style jacket over a brown top and camouflage pants, holds an AR-15 rifle. She has a serious expression and is looking directly at the camera. A magazine is visible in a holster on her left hip.

They have armor and automatic weapons.**

I don't carry a gun to scare people.

**I carry a gun because sometimes this world

I don't carry a gun because I'm paranoid.

I carry a gun because

there are real threats in the world.

I don't carry a gun because I'm evil.

I carry a gun because I have lived long
enough to see the evil in the world!

**I don't carry a gun because I hate the government.
I carry a gun because I understand the limitations of
government.**

**I don't carry a gun because
I'm angry.**

**I carry a gun
so that I don't have to spend
the rest of my life hating myself for
failing to be prepared
for that emergency when I must
Defend my life, my loved ones,
our liberty, or our property.**

I don't carry a gun because I want to shoot someone.

I carry a gun because I want to die at a ripe old age in my bed, and not by the hands of a communist / socialist tyrannical government.

I don't carry a gun because I'm a cowboy.

I carry a gun because, when I die and go to heaven, I want to be a cowboy.

I don't carry a gun to make me feel like a man.

I carry a gun because men know how to take care of themselves and the ones they love.

An aerial photograph of a city street grid serves as the background. In the foreground, three objects are placed on a light-colored surface: a red square on the left, a silver flip phone in the center, and a black handgun on the right. The phone's screen displays '911'. Three yellow callout boxes with arrows point to specific locations on the map: one points to a small orange circle in the upper left, another points to a small orange circle in the lower right, and a third points to the handgun.

WHICH WOULD PROTECT HER HEALTH BEST?

- I don't carry a gun because I feel inadequate ...
- I carry a gun because unarmed and facing three armed thugs, I am inadequate.
- I don't carry a gun because I love it ...
- I carry a gun because I love life and the people who make it meaningful to me.

- Police Protection is an oxymoron.
- Free citizens must protect themselves.
- Police do not protect you from crime.
- Police usually investigate the crime after it happens.
- And then call someone in to clean up the mess.

Gun control works!

A LITTLE GUN HISTORY

- In 1929, the Soviet Union established gun control. From 1929 to 1953, about 20 million dissidents, unable to defend themselves, were rounded up and exterminated.
- In 1911, Turkey established gun control. From 1915 to 1917, 1.5 million Armenians, unable to defend themselves, were rounded up and exterminated
- Germany established gun control in 1938 and from 1939 to 1945, a total of 13 million Jews and others who were unable to defend themselves were rounded up and exterminated.
- China established gun control in 1935. From 1948 to 1952, 20 million political dissidents, unable to defend themselves, were rounded up and exterminated

- Guatemala established gun control in 1964. From 1964 to 1981, 100,000 Mayan Indians, unable to defend themselves, were rounded up and exterminated.
- Uganda established gun control in 1970. From 1971 to 1979, 300,000 Christians, unable to defend themselves, were rounded up and exterminated.
- Cambodia established gun control in 1956. From 1975 to 1977, one million educated people, unable to defend themselves, were rounded up and exterminated.

- Defenseless people rounded up and exterminated in the 20th Century because of gun control:

56 million!

- In the first 12 months since gun owners in Australia were forced by new law to surrender 640,381 personal firearms to be destroyed by their own Government, a program costing Australia taxpayers more than \$500 million dollars. The first year results are now in:

- **Australia-wide, homicides are up 3.2 percent.**
- **Australia-wide, assaults are up 8.6 percent.**
- **Australia-wide, armed robberies are up 44 percent (yes, 44 percent)!**
- **In the state of Victoria alone, homicides with firearms are now up 300 percent. Note that while the law-abiding citizens turned them in, the criminals did not, and criminals still possess their guns!**
- **While figures over the previous 25 years showed a steady decrease in armed robbery with firearms, this has changed drastically upward in the past 12 months, since criminals now are guaranteed that their prey is unarmed.**
- **There has also been a dramatic increase in break-ins and assaults of the ELDERLY. Australian politicians are at a loss to explain how public safety has decreased, after such monumental effort, and expense was expended in successfully ridding Australian society of guns. The Australian experience and the other historical facts above prove it.**

POOR LIFE CHOICES

Damn! I knew I should have broke into that house across the street instead.

- **You won't see this data on the US evening news, or hear politicians disseminating this information.**
- **Guns in the hands of honest citizens save lives and property and, yes, gun-control laws adversely affect only the law-abiding citizens.**
- **Take note my fellow Americans, before it's too late!**
- **The next time someone talks in favor of gun control, please remind them of the aforesaid history lesson.**

With guns, we are 'Citizens'. Without them, we are 'subjects' to be EXTERMINATED.!

INDEPENDENCE

I would never invade the United States. There would be a gun behind every blade of grass. --Isoroku Yamamoto

During WWII the Japanese decided not to invade America because they knew most Americans were ARMED!

If you value your freedom, please spread this anti-gun control message to all of your friends.

FREE PEOPLE OWN GUNS.

SLAVES DON'T.

**At Thermopylae, 1,000,000 Persians
lost 20,000 yet failed to disarm
just 300 Spartans.
80,000,000 lawful Americans
would resist even harder.
That we promise.**

The Second Amendment
protecting America's
Right to Carry, and original
Homeland Security!

DON'T LET THIS HAPPEN TO YOU ...

If it is justifiable in your mind for "government" to tell people they can't smoke a certain leaf, then, in principle, would it also be justifiable for "government" to make people eat a healthy diet? If it's okay to use coercion to FORCE people to fund a military (for their own good, of course), why in principle, would there be anything wrong with FORCING them to spend carefully, invest wisely, or exercise regularly?

**So I ask YOU ... Are you a practicing communist?
Or, are you making a stand against tyranny?

People who talk about preserving their rights by way of "the system" don't understand what a right is.

By definition, a "right" is something that you don't NEED "legal" permission to do. You have the right to do it no matter what any "corporate law / rule" says. I know it's about as politically incorrect as you can get to say this, but the proper response to "gun control" is not lobbying and petitions -- which imply that it's up to the damn self elitist lawyering syndicate to decide whether we can be armed or not.

The proper response, if one actually believes in unalienable rights, is to declare, "I have the right to be armed, and trying to violate that right will be hazardous to your health."

We DO NOT Need a Permit to Carry

A Permit is Permission from someone who has authority over you.

NO ONE has Authority over You!

We established Government as Public Servants to occupy positions in offices of Trust. To protect our Nation and our Rights.

When they do not abide by the Constitution, and pass unconstitutional laws, they are outside of the law acting as domestic terrorist subverting the Supreme Law of the Land.

IT IS TIME TO OPEN CARRY. I AM NOT TALKING ABOUT BEING A COWBOY, BUT DEFEND YOUR LIFE, LIBERTY AND PROPERTY AND YOUR RIGHTS VIA THE 2ND AMENDMENT - - -

THE ENFORCER AMENDMENT !!!

There's a reason "government" always grows, and oppression always increases, until something really unpleasant (e.g., revolution or economic collapse) "reboots" society.

It's because once you accept "government" AT ALL, you have accepted the notion that politicians have the RIGHT to impose their choices on us by FORCE, and you therefore have abandoned the notion that each of us owns HIMSELF.

Once the principle is gone, what is there to prevent eventual complete tyranny? Not a darn thing. How many more times does history have to prove that, before people get the PRINCIPLE right, and stop bickering over irrelevant details about what flavor of slavery we should have? And how long will those few who get the principle RIGHT be condemned as "extremists" by all the anti-freedom proponents?

Will our future be predicated on those who seek redemption and are on the positive path, or those who seek to rule by fear, greed, corruption and who are on the negative path? I believe mankind's redemption in the final analysis will come from truth in knowledge of his creator, himself, love of life and to all, and not from his ignorance.

Perhaps, the future will be made up of both ... depending upon which path, in this life, you choose!

"Stand fast therefore in the liberty wherewith Christ hath made us free, and be not entangled again with the yoke of bondage." Galatians 5:1

This is WHY I CARRY... Because I want to! Get it?
